Kelly @ work

We guarantee quality and an efficiency with a professional approach that results in the perfect match. To achieve this Kelly Services combines market knowledge with a unique selection and testing methodology. We qualify candidates on both hard skills (diploma's, knowledge and experience) and soft skills (suitability, attitude and ambitions) to determine whether a person is a good or a perfect match for a specific role. With this approach Kelly Services always selects the better employee to meet the job role demands but also the culture and style of your organisation.

Market Specialisations

Kelly Services is active in these market sectors office, financial and business services, (light) industrial, distribution & logistics, call centers, information technology, science, marketing, education and healthcare.
